

Pueblo's 40th Solstice Soirée Sponsorship Request

To whom it may concern,

The Colorado Disc Sports Association is running a disc golf tournament at Pueblo City Park June 23-24, 2018 to celebrate the summer solstice as well as the 40th anniversary of the Pueblo City Park disc golf course, originally designed in 1978 by the father of disc golf Steady Ed Headrick. This event will also feature an Accuracy Course using Innova Pulsar discs resembling frisbees used in 1978 with half of those entry fees being donated to Second Chance Wildlife Rehabilitation, a Pueblo nonprofit organization.

In an effort to help grow the sport of disc golf we opened registration early for all women and junior divisions so they could get first pick of discs and make sure to play in the tournament if they want to. Most disc golf tournaments sell out very quickly in Colorado. Focused on fun and camaraderie this tournament will be one round of 20 holes each day with all ages of men, women and juniors competing in separate divisions based on skill level and age.

The CDSA would like your help to make our event a memorable one for everyone. Anything you can donate or sponsor would be greatly appreciated. Nothing is too big or too small from a single item or cash donation to 100 items or more to be put into our players packs for all competitors. We have made it super easy to help out by adding many different sponsorship opportunities to our registration page. Once your sponsorship is received your business will be named and logo displayed on all tournament literature and the event website as well as any social media postings regarding this tournament. Over 4000 people were reached on social media about this event before registration even started. You will also be mentioned at the players meeting during the event as well as posted on a sponsor sheet at tournament central for everyone to see. Below are some ways you can help our event.

Tee Sign Sponsorship for disc golf course or accuracy course \$50
Professional Divisions Payout Purse Added Cash Donation
Water & Ice Sponsorship \$25
